

Create & Connect

Drop in Art Sessions

Come along and take part in our free monthly creative workshops at the Healthy Living Centre in Bermondsey. Run by artists from Dulwich Picture Gallery, our workshops are open to all but are especially adapted for older people living with early stage dementia and their families, friends and carers.

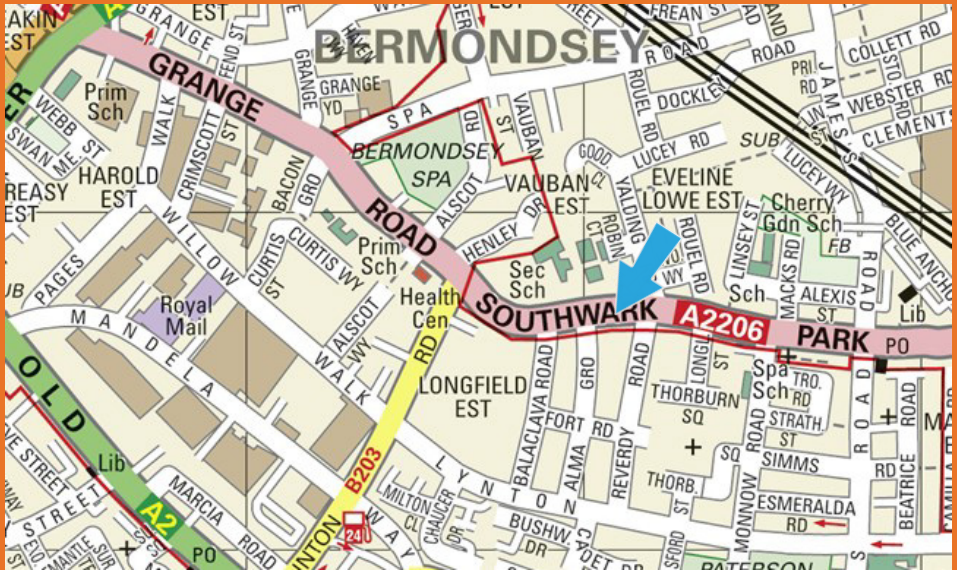

We will be getting crafty, exploring different painting and drawing techniques and using multi-sensory media. No experience is necessary. Free tea and coffee will be served during the workshops.
